Create Account

You can create an Elsevier free account in Scopus, ScienceDirect, SciVal

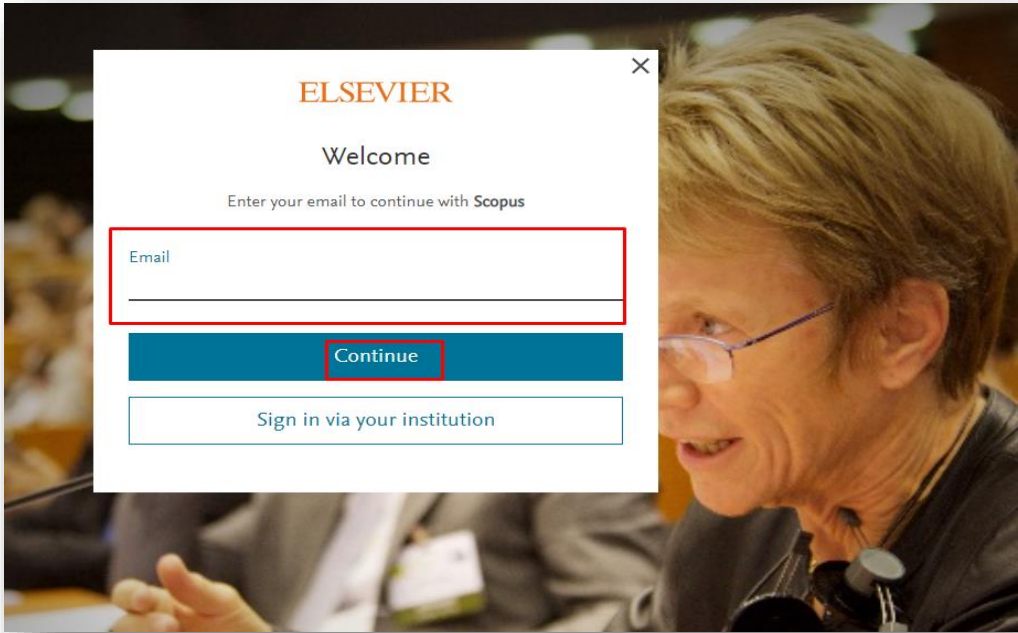

To get started:

- Go to scopus.com
- Click 'Create account'

Note! *If you have created a personal account in another Elsevier product, like Mendeley or ScienceDirect, you should not create a new account in Scopus. You may use this account.*

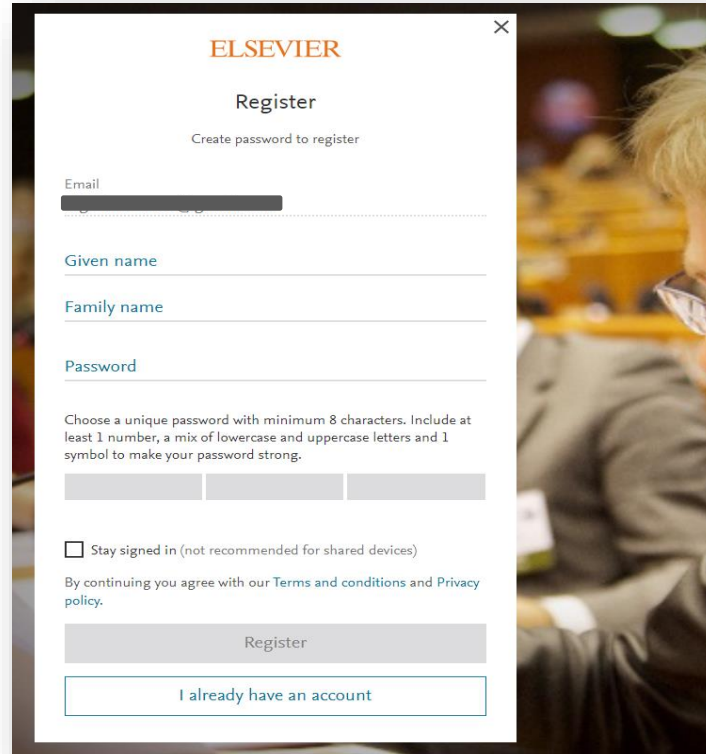

Create Account

- ✓ Enter your Email (recommended corporate)
- ✓ Click 'Continue'

Create Account

- ✓ Fill in the information
- ✓ Choose a unique strong password
- ✓ Click 'Register'

A screenshot of the Elsevier registration form. The form is titled 'ELSEVIER Register' and includes a sub-header 'Create password to register'. It features input fields for 'Email', 'Given name', and 'Family name'. A 'Password' field is accompanied by a strength indicator bar. Below the password field, there is a checkbox for 'Stay signed in (not recommended for shared devices)' and a line of text stating 'By continuing you agree with our Terms and conditions and Privacy policy.' At the bottom, there are two buttons: a grey 'Register' button and a white 'I already have an account' button with a blue border. The background of the form is a blurred image of a person's face.
